AULA D4 / ROOM D4		APPLIED SEDIMENTOLOGY										SEDIMENTARY																																							
Nuova LM74 (INGLESE) AULA G16 / New LM74 (Curriculum in English - Geosciences EMW) ROOM G16		REMOTE SENSING FOR MINERAL RESOURCES										Zucca																																							
		ROCK MECHANICS: FUNDAMENTALS, FIELD AND DIGITAL TECHNIQUES										Maino																																							
												Menegoni																																							
		GEMMOLOGY										Mazzucchelli																																							
												Alvaro																																							
												Gilio																																							
		ENGINEERING GEOLOGY Mutuo da INGEGNERIA / borrowed from the Engineering Faculty Il corso inizia il 23 settembre con lezione i giorni 23, 26, 3, 30 settembre (11-13 il martedì, 9-11 il venerdì) / Starting on September 23rd with lectures on 23rd, 26th, 30th September (Tuesdays 11-13, Fridays 9-11)										Meisina																																							
Collegiale non Residente		APPLIED AND EXPLORATION GEOPHYSICS										Torrese																																							
		PLANETARY GEOLOGY AND EXTRA-TERRESTRIAL MATERIALS										Christ																																							
												Alvaro																																							
Nuova LM74 (ITALIANO) AULA D5 / New LM 74 (Curriculum in Italian) ROOM D5		HUMANITY AND CLIMATE CHANGE: A DIALOGUE BETWEEN SCIENCE, HISTORY AND ART										Scapozza																																							
		GIS: LEZIONE SOLO IN AULA C28										Savi																																							
		MECCANICA DELLE ROCCE										Menegoni																																							
												Perotti
